

# **DORSET & SOMERSET TRAINING PROVIDER NETWORK**

*The network for inspired learning and skills*

## **Vision, Mission and Aims**

### **VISION**

The network vision is to encourage and inspire providers to operate in a culture of collaborative working for the benefit of all whilst continually enhancing the experience, learning and achievement of learners.

### **MISSION**

The networks mission is to provide a strategic voice and effective operational support for LSC contracted learning providers in Dorset and Somerset and to plan and facilitate meeting the needs of employers and the achievement of learners through the networks aims.

### **AIMS**

#### **1. Targets**

To support achievement of our area targets the networks aim is to encourage a culture of shared responsibility, timely identification of issues, challenges and solutions, sharing success, expertise and resources.

#### **2. Voice**

By representing all of our members on a fair and unbiased basis the network aims to be the preferred means of communication for all and through a collective stance represent the network as a strategic and operational voice for stakeholders.

#### **3. Development**

The network aims to support the development of its provider's provision to meet local, regional and national priorities for the benefit of its members, learners and employers.
